THE Cardinal

PUBLISHED BY THE
Senior Class
OF
Froid
HIGH SCHOOL

1953 - 1954

Foreword

The annual staff of 1954 are proud to be able to present this edition of the CARDINAL.

In this book, you will find a record of all the activities that have taken place here in the Froid School this year.

There are pictures of your friends that, in the years to come, will serve as a happy reminder of your first prom or basketball game.

There is a complete alumni list that will enable you to contact your old classmates and friends that you haven't heard from for years.

In publishing this book, we are trying to say "thank you" to our parents, teachers, and the community for helping us achieve an education. As you page through this book we hope you enjoy reading it as much as we have enjoyed putting it out.

Dedication

MRS. AGNES KVESETH

MRS. WINIFRED BERTELSEN

We, the annual staff of 1954, dedicate this edition of the CARDINAL to the two faithful cooks of the Froid School. We feel that through the tasty meals they have served to us, so tirelessly and without complaint, that they have helped to make our school days a little happier. To Mrs. Winifred Bertelsen and Mrs. Agnes Kveseth we dedicate this 1954 CARDINAL.

Superintendent's Message

The activities of the year in our school are found recorded in the annual. May we find joy and pleasant memories as we look over the year of work. It is our desire that a determination has been aroused in each student to make the next year better in all respects.

Our hope is that in the years of attendance in Froid Public School you have been prepared to be a pleasant, worthwhile citizen.

Thanks to all for making THE CARDINAL a successful publication.

Class History

This is Space Fort, "Froid High School," of the future, where space cadets are trained in the hazards of space flying. With Miss Annabelle Stanton as our space engineer, we began building our rocketship with fifteen cadets. They were Randall Hanson, Ronald Hoye, Johnnie Jensen, Lloyd Mogen, Dennis Paulson, Fred Tobiason, Jimmie Westberg, Farrell Wulf, Gladys Gladue, Doris Glaze, Leona Luebke, Mary Jane Pattison, Louise Peterson, Judith Reiter, and Violet Sundvold.

The second year Miss Alta M. Oien became our cadet advisor. That same year we finished our rocketship, with the help of six new cadets, who were Garald Boyd, Wilbur Tobiason, Roger Grovom, Romain Ryder, Robert Kvestad, and Gloria Kvestad, and "swoosh." We took our first trip from Earth, which was to the Sun. Robert and Gloria didn't make the trip with us for they were transferred to another rocketship.

While journeying on to the Moon, Leona M. Miller took over the job as rocket engineer. Along the way we picked up another air cadet, who was Lester Mogen, and we lost Garald Boyd and Randall Hanson who seemed to have missed the ship on the Moon.

Traveling on to Mars with Leona Miller and Annabelle Haas was most enjoyable although a funny thing happened. As the rocketship took off, we had sixteen cadets, counting the new passengers--Adeline Hekkel, Joyce Tasa, Robert Purvis, and LeRoy Johnson--but when we landed we had seventeen because Jean Eliason had come upon the ship when we had nearly finished our journey.

Jupiter was jumping when Mr. Robert Reuter took over the controls of the rocketship. Three more cadets were added to the crew--Sylvia Knick, Kenneth Eschenbacher, and Arthur Haycraft--but still "we sailed through the air with the greatest of ease."

Again with Mr. Robert Reuter as our instructor, we were off like a "flash" to Venus. Arthur and Kenneth couldn't make this trip, because the atmosphere seemed to have been too heavy for them. However, all of the rest of us enjoyed the trip.

Traveling on through space with the help and advising of Mrs. Trudy Wheeler, our next stop was Uranus. Merlin Hunter, joined us and became one of the many cadets in our rocketship. Due to the roughness of the ride caused by the air pockets, several of the cadets were grounded.

Many cadets were worried, but excited because this was the proving ground, Neptune, which would determine whether they could continue on with their trip. The space pilot, Oscar Boeshans, issued each of the following cadets with a passport transferring them to the huge rocketship, "F.H.S." Among the graduates in the class of 1950 were: Lloyd Mogen, Robert Purvis, Romain Ryder, Wilbur Tobiason, Jimmie Westberg, Farrell Wulf, Doris Glaze, Adeline Hekkel, Leona Luebke, Mary Jane Pattison, Judy Reiter, and Sally Knick.

Propelled by the limitless powers of atomic energy, under the steady hand of commander Robert H. Stock, the mighty new space ship rocketed away to Mercury on her four year interplanetary cruise. After the take-off a beautiful dedication ceremony was held with many notables aboard. From another rocketship came Oliver Urdahl, Naoma Buckendahl, and Harold Grovom, who became members of our planeteers. To be more efficient in our space duties, the following cadets held official positions: Romain, President; Sally, Vice President; and Adeline, Secretary-Treasurer. For the annual festivities of the constellations, Sally Knick was elected Queen candidate and Harold Grovom King candidate. That year Judy was Song Leader for F.H.A., which was supervised by Mrs. Lucy Naegeli, and she was a delegate to the F.H.A. convention. The entire crew participated in a choral reading, "The Bells," directed by Captain Osta Madsen, at

the spring music festival which was held at Culbertson on the planet Earth. A declamation, "Blessed Damsel," was also given by Judy. Before we reached the end of the journey, Harold Grovom decided to abandon our ship and explore other vast areas.

The fall of '51 found eleven planeteers ready to step aboard the airship. For this spin through space, Mr. Richard Solga captained the ship to Titan, moon of Saturn, with the help of the following trustees: President, Leona; Vice President, Jimmie; and Secretary-Treasurer, Naoma. This year the carnival of Capricorn of the constellations consisted of two Queen candidates who were Leona and Naoma. Four of the girls joined the F.H.A. Chapter, which was under the supervision of Miss Jeanne Lindstrom. Naoma Buckendahl was elected F.H.A. Song Leader. Adeline, Jimmie and Judy were participants of the tournament band which played for the basketball tournament in Culbertson; Sally and Naoma were twirlers for the senior band; and Leona took part in the junior class play, "Pride and Prejudice" and Judy gave a declamation, "The Cask of Armentalado." Representatives for student council were Judy and Oliver. Doris Glaze took leave of our rocketship and the summer found her California bound.

In September of '52, again with eleven planeteers, we boarded our rocketship for Pluto, which was a very active and important planet. A new cadet, Mary Jane Pattison, boarded our rocketship. Miss Osta Madsen was our cadet advisor. The year was filled with work, fun, and many worthwhile activities. Official positions were again held and the following were those selected: President, Jimmie; Vice President, Adeline; and Secretary-Treasurer, Fritz. During the year many different events took place. Adeline and Leona were chosen Queen candidates for the annual fall carnival. Student Council representatives were Leona and Jim. The cadets presented their first class play, "Quit Your Kidding," November 21, which was under the direction of space instructor, Miss Osta Madsen. Another thrill for the planeteers was the Junior-Senior prom and banquet. The theme was, "Under Montana Stars." Bill McFarlin and his orchestra, from Williston, furnished the music for the dance. Before the year was ended Mary Jane Pattison and Sally Knick decided to desert our rocketship.

All the cadets were thrilled when they came around the last bend facing Earth. The thought of graduating from high school was going through the minds of the nine cadets who were: Leona Luebke, Adeline Hekkel, Judy Reiter, Naoma Buckendahl, Farrell Wulf, Romain Ryder, Jimmie Westberg, Lloyd Mogen, and Oliver Urdahl. Class officers were again elected and the following were those chosen: President, Jimmie; Vice President, Oliver; Secretary, Adeline; and Treasurer, Fritz. Adeline and Judy were selected Student Council Representatives while Jim was nominated Vice President and Naoma Social Chairman. Naoma was also elected Treasurer of the high school pep club. Leona was Office Assistant. Judy won first place in a district essay contest sponsored by the American Legion Auxiliary in Homestead entitled, "Democracy Versus Communism." Judy won $3. Judy also participated in extemporaneous speaking, which was held in Fairview, and came home with third place. The seniors presented their class play, "The Tower Room Mystery," by Robert St. Clair, on March 26. It was their last performance and was directed by space instructor, Miss Osta Madsen. Those who were participants of the high school band for four years were: Adeline, Leona, Judy and Jimmie. For outstanding scholarship, Jimmie was chosen Valedictorian and Leona Salutatorian.

Last Will and Testament

We, the Senior Class of 1954, being of sound mind and body (to all outward appearances) hereby testify and witnesseth on this, the last belated moment of our long suffering existence, to be our last will and testimony. May we ask that you recieve these respective legacies in the spirit of unselfish friendship with which they were given.

We, the class of 1954, in the town of Froid, the county of Roosevelt, and the state of Montana being in as good mental condition as usual, and in much better temper than usual, do hereby make this, our last will and testament.

We feel that our brilliant record and our unusual achievements will live after us, but, not wishing to take any chances, we suggest that a tablet, on which shall be inscribed our several names and a few of our most astounding deeds, be purchased and placed in the hall of the school in a position where it will strike the eye of all who enter.

And in this manner do we dispose of our possessions:

To the Junior Class, our rightful heirs, our most important and valuable properties, our importance and our wisdom, both of which we possess enormous quantities, and we hope said gifts will be of use in overcoming their present weaknesses. In addition to this, all of our privileges and rights as Seniors in classroom and assemblies, as well as any notebooks, pencils, fountain pens, unfinished suckers, or unfinished business, including debts contracted while engaged in the business of being a Senior.

To the Sophomore Class we give our well-known nerve, which they will need next year. We also leave you our patience, it will be found useful as the only means by which you can endure the Juniors.

To the Freshmen we leave our sophistication which we have noticed they lack. We also leave them our ability to get things done on time (although we found no occasion to do this, you may).

To the young and unsophisticated Freshmen-to-be we leave a little book entitled, "How to Tell the Teachers"; this is a pamphlet compiled by us after four years of hard study. You students will notice this book is not WHAT to tell the teachers but HOW. It contains information as to which teachers can be bluffed, which are easy and which are hard to please and those whom it is impossible to please.

To our dear old school building itself, we leave the peaceful quiet caused by our absence and any apple cores, wads of gum, or crumpled notes we may have left about.

To our teachers, the faculty of the Froid High School, we hereby give, free from all inheritance, luxury, or income tax, our entire store of knowledge. From them it came and to them it should be returned, that others may be benefited by it as we have been. Also, we bequeath our valuable sense of humor, without which we should have found school life painful indeed and which will do much to make it endurable for them. Last, but not least, we bequeath to the teachers our very kindest regards and our sincere gratitude for their unfailing kindness and aid.

To the future play casts, our varied and surprising talent--a talent that could interpret a character with so much originality that its own author wouldn't know it.

To the band, our ability to watch the leader and the audience at the same time. We may have lost a measure or skipped a beat in the music occasionally, but we never missed anything--or anybody--in the audience.

To the undergraduate needing it most, we give Jimmie Westberg's supply of language, which will enable the recipient to talk more and say less than any other human being. To the over-ambitious undergraduate--if such there be--we leave the idleness of Fritz Wulf. Some people sit and waste time. Fritz just sits. To the laziest member of the Senior class-to-be, we bequeath Leona Luebke's ambition. If it is combined with the laziness previously mentioned, the result will be normal activity.

Naoma Buckendahl wills her speed on the typewriter to Gordon Krogedal. "It helps sometimes, Gordon." To Helen Johnson goes her ability to flirt with boys and to Harlow Strandlund she gladly gives her ability to "Cut a Rug." Her gift of going steady goes to all of the Froid girls.

Adeline Hekkel wills her height to Ervin Bakken, so he won't have to stand on his tiptoes to ah--dance with people. Her devoted attention to the library goes to the new freshman librarian.

Leona Luebke wills her seat as solo clarinetist to Margaret Ryder, but--don't spoil your lips, Margaret. Her short blonde hair goes to Joyce Sundheim and her job as office assistant goes to Carl Nelsen. It will help take up a little of his extra time.

Lloyd Mogen wills his acquaintances in Fairview to Bobby Urdahl. "You need a change of girls, Bobby." He leaves his "Romeo Tactics" to Gerald Schlagel, who seems to show no outward interest in girls, and his loudest tie to Manny Rued, who never seems to have one of his own.

Judy Reiter wills her bad habit of studying to Donald Knudsen and her "A" in P.D.P. to Roger Grovom. To Clenard LaMar she leaves her gum smacking. Don't ruin it. It comes in handy when people are trying to sleep or work.

Romain Ryder wills his Plymouth, and also some of the passengers to Jerry Krohmer. He leaves his good looks to all the boys of F.H.S. (Don't fight over them, divide them equally).

Oliver Urdahl leaves his curly red hair to Johnan Arvidson. He also wishes to leave his quietness to Jean Grobom and Janis Emswiler and his green Buick to Dale Eschenbacher.

Jimmie Westberg leaves his ability to co-operate with the faculty to Archie Johnson, and his scholastic ability to Fred Tobiason. He wishes to leave the hair on his chest to Dennis Paulson. (It will help improve the appearance of his manly physique!!)

Fritz Wulf sorrowfully leaves his physique to Alton Nelson and his eraser throwing ability to his little nephew, Roger Bertelsen, and his sarcastic wit to Duane Olson. His ability to always be at play practice and to be there on time goes to the senior play cast of next year.

In witness whereof we, the class of 1954, have set our hand and seal on this 20th day of May in the year of 1954.

Class Prophecy

Looking at the future lives of all of our cadets, I see written in the stars, the following prophecy:

At our first glimpse, we see Jimmie Westberg sitting at his desk high atop the largest Marshell-Wells store in the state, which is located at Homestead. Three years after graduation. Jimmie was married to a red-headed graduate of 1956. They have two red-haired children who (Jimmie hopes) are planning to follow in their father's footsteps.

Looking a little to the West, we see Adeline Hekkel, who is secretary to the president of Metro-Goldwyn-Mayer. She goes on all of the traveling engagements for her boss and at present is in Europe locating a new location for a forthcoming movie. You remember how quiet Adeline used to be! Well, she's changed, and now talks from the time she gets up until the time she goes to bed. She's doing quite well in the romance department, too. She has been engaged four times in the last four months.

Romain Ryder is farming all of the land between Wolf Point and the State Line. I asked him about a girl and he just shrugged his shoulders and said, "Not me." But I heard he is going to Hawaii soon, and in Hawaii--who can tell!

Leona Luebke is married to a former air force ace and is living in Dagmar with her small family of five lively youngsters. She does dental work in her spare time, but just the other day, she said, "I have so many teeth to fix at home nowadays, that I don't have time to go uptown and work anymore."

Oliver Urdahl has achieved the great success that his teachers had anticipated for him. He is now running for his second term as President of the United States. At the head of his campaign committee are his lovely wife and four lovely daughters. He says that after this term he plans to retire. After all, with five million dollars you can do a lot--and he is only forty-five, you know.

Judy Reiter is teaching in a little country school just out of McCabe, with only six students. She is planning to retire quite soon because she says that with ALL the money you make as a teacher she doesn't understand why there are so many teachers who haven't retired before they are thirty. I bet her retiring is just an excuse because I heard that she is going to hear wedding bells in June.

To the East of Froid about twelve miles, we find Lloyd Mogen. He is residing in the city which has been named "Mogenville" after Lloyd. He was walking down the road one day and stumbled over a rock and fell. The pencil which was in his pocket stuck in the ground and caused the oil to come to the surface. Lloyd hasn't been married yet, but there are rumors that a marriage will take place in the near future, so I suppose Lloyd will be leaving for parts unknown soon. Every time she just about gets him to the altar he leaves town. Maybe he just doesn't want to get married. Just for old times sake, Lloyd raises chickens as a hobby.

A stop at the big house on the corner will find us at Naoma Buckendahl's home. She has been married for six years and has two lovely sets of twins. She quit teaching school soon after she was married, because she had too much to do. To keep from getting out of practice, though, she still substitutes once in a while just for the fun of it.

While we are visiting Naoma, we will also see Fritz because he lives at the same address. They were married the summer that Fritz graduated from television school. He now broadcasts every morning over station Y-O-U in McCabe. His favorite program is the "Cooking School of the Air." Tune in sometime but don't be surprised if you see Naoma washing dishes on his program. Fritz says that if he has to do ALL of the dishes at home, she can come down to wash the few dishes that he dirties on his fifteen-minute program.

Class Poem

Naoma Buckendahl, our Minnesota gal,
Is always well liked and a real swell pal;
In her thoughts, Fritz Wulf heads the list;
In playing the piano a note is never missed:
On the typewriter she can hardly be beat;
And on the marimba she's tops and all reat!

A girl named Adeline is the tallest senior,
Her baritone and school work make her more superior;
She's happy-go-lucky and full of vitality;
This is a girl with a great personality.
She's the last of the Hekkel's with a great future planned,
As dental assistant a man she may land.

We have a gal who is so true,
She's five foot two and her eyes are blue;
Leona Luebke is this lass,
She's salutatorian of her class,
Her fingers fly on her clarinet,
This is a gal we'll never forget.

The one in our class who raises chickens
Is also the one who likes raising the dickens;
Lloyd Mogen dressed in western styles
Greets you with cheery grins and friendly smiles;
Last year he was an F.F.A. state delegate
We'll always remember this willing classmate.

Extemporaneous speaking and declamations
Are Judy's favorite avocations,
Last fall she took a trip back East
And was glad to be home to say the least;
Her last name is Reiter and, by the way,
In teaching and journalism she'll be plenty okay.

Romain Ryder, our basketball star,
Has invested dad's money in a new Plymouth car;
"Little Beaver," so they say, is famous for his crew cut,
He looks like Jerry Lewis and can also act like a nut.
Please don't take us wrong, Romain, we know you are a farmer
And with all your funny winning ways you really are a charmer.

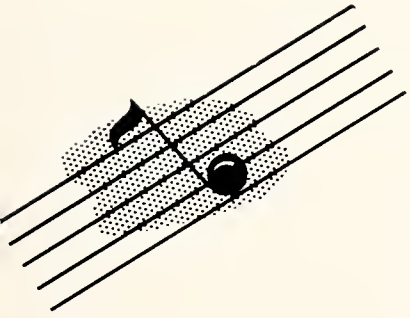
Our country gentleman with curly red hair
Is Oliver Urdahl with whom none can compare;
He's bashful, he's quiet, and kind hearted, too,
He's tops in all sports and well-known to you.
His heart of hearts was crowned a queen,
Life in the long trailer will be serene.

Our noble class president of '54
Was also president the year before,
He's Jimmie Westberg, our valedictorian,
He led the grand march with our salutatorian.
As a pharmacist he should be handy
Now, don't you think we could call him a "Jim dandy?"

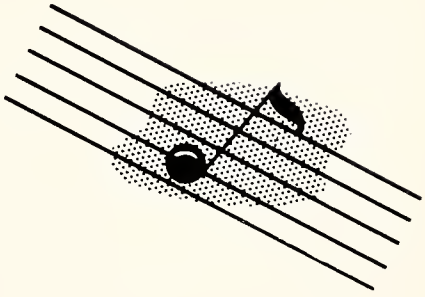
Our football player who's got the stuff
Is Farrell Wulf and he treats 'em rough.
When you hear him whistling and singing so gay
It's almost certain he's coming your way;
In the morning you'll find he's always tardy
Could it be his breakfast is much too hardy?

And So Goodbye

(Tune: Changing Partners)



It is now graduation
And our days in school are done
So we'll just say "farewell" now
To each and every one.



First we worked for our credits
And then we had our play
We have tried to do the right things
In each and every way.

We have had our two class plays
Some have taken part in band.
And in sports we've tried our best.
That's why we think Froid High is grand.

We'll just leave with our mem'ries
But we wish to drink a toast
To "dear old Froid High School"
The school we love the most.

Senior Sneak Day

Pass the eggs and bacon. Anybody want more coffee? Have another roll or are you ready for a maple stick?

That was the general conversation Saturday morning, May 1, when the seniors and Mr. and Mrs. Lorrie Reuter met at Hekkel's where they had breakfast at 5:30.

From there we started on our sneak trip. After the girls and their suitcases were situated in Reuter's car the boys with their possessions jumped into Romain's car destined for Great Falls.

It was necessary for us to make our first stop in Glasgow. No, we weren't hungry, but due to the flopping of the hood on Romain's car we decided it was time to tie it down. We took advantage of the stop and had a cup of coffee.

The air was full of snow as we started on another lap of our journey. We stopped and ate dinner in Havre. Mrs. Reuter took the wheel in Malta and while traveling on, hit a bird which was flying low. Did she kill it?--Well, what do you think??

Well, we finally got to Great Falls. We checked into the Fergus motel and immediately started scurrying around unpacking, taking baths and dressing. Feeling very refreshed we went out to supper at the Schell Restaurant. After chicken and steaks, we divided into groups and took in different movies. Those who couldn't eat all their chicken, took it to the motel for breakfast the next morning. We all met and went dancing to very good music.

Sunday morning we were all too tired to get up, but we did--that is, the girls got up in time for church. The boys were to meet the girls at 12:00, at the church, but at 12:15 they still weren't there, so the girls walked to a drug store and called a taxi. Adeline was really thrilled, because it happened that she had never before ridden in a taxi. In the afternoon our first stop was "Old Town" at the Fair Grounds. We saw old buildings and also an old player music box. Then we took the river drive and went out to Giant Springs, the largest fresh water springs in the world. We also saw the fish hatchery there. We took a few pictures after which we went back into town where we made our next stop at the Saint Thomas Orphanage. There a boy took us around and showed us the different rooms and the large gymnasium. From there we went to the Charles M. Russell Gallery and Memorial Studio where we saw many different pictures which Charlie Russell had painted.

Sunday evening we dressed up and went to supper at Borries, an Italian Restaurant in Black Eagle. Some ordered ravioli dinners but couldn't eat them all. After that we went to the dance at the Civic Center where Harry James and his famous orchestra played. Buddy Rich was his drummer and before the dance was over they changed drum heads several times.

Monday morning we went up to the airport on Gore Hill. We saw two large airliners take off for their destinations of Los Angeles and Denver. Many small airplanes and jets were in the air most of the day. Our last sight-seeing tour took us to the Anaconda Copper Mining Company. Everyone seemed interested and really watched the hot melted copper pour into the moulds.

Tuesday morning, after we had eaten breakfast, we were shown the beautiful Blue Room, Shell and Marine Rooms in the Schell Restaurant.

We were not allowed to go through the Air Force Base as they have become very strict in admitting no visitors since it has become a jet base; however, we did see several jets flying through the air leaving their clouds of smoke behind them.

Another highlight of the trip was the fact that we saw several cinemascope movies. The people who had never seen them were really thrilled by what they saw.

We had planned to leave Great Falls very early Tuesday morning so that we would be able to visit the campus of Northern Montana College at Havre on our way home, but Romain's car was in the garage and he was unable to get it out until shortly afternoon, so we were off to a late start.

Our first stop on the way home was Havre, where we picked up Jimmie's car at the college. He decided that his BIG sister had had it long enough. We were hungry again so we stopped at the Dutch Shoppe. We thought that maybe Mr. Reuter wasn't hungry. He really was, but then we thought we might have another guest as a beggar stopped him to ask for a loan. We left Havre with Mrs. Reuter at the wheel of Reuter's car once again, Jim and his car and as for the other car it was hard to tell who might be driving. We girls had never seen any boys who got so tired of driving in such a short time.

We stopped at the Saco Hot Springs where Jim and Fritz went swimming. Those girls and their cameras, and I thought boys were the only ones who collected pictures of bathing beauties.

On our way again, we drove until we reached Wolf Point where we stopped to eat once more. Almost everyone had hamburgers. Remember, how we had vowed never to eat hamburgers again after having gone to that drive-in in Great Falls. I bet Judy will never forget that day when she had a tray, five cups and saucers, five spoons, a glass of milk, six hamburgers and catsup and mustard sitting on her lap, instead of on trays on the car doors where they belonged. She was trying to eat, but, oh, what a time she did have, as did the other five passengers, who were struggling with oozing relish and juices from their hamburgers, spilling coffee and rubbing elbows in the crowded car.

In Wolf Point, Jimmie decided that he was too tired to drive any further so Leona drove from there on home. We arrived back in Froid on Tuesday night at 11:00. Almost everyone was so tired that they just took the things that they needed and left the rest until the next day when they sorted out their own belongings. Romain's car looked like a traveling salesman's; it was so loaded down with coats and other clothing.

We all returned to school Wednesday morning, ten very tired but very happy and satisfied people.

Minutes of the First Student Council Meeting
October 4, 1950
Organizations

Student Council

Standing: Gerald Schlagel, Jimmie Westberg, Dee Ann Ryder, Margaret Ryder, Adeline Hekkel, Roger Bertelsen. Seated: Janis Emswiler, Marlene Coats, Joyce Sundheim, Marjorie Anderson, Judy Reiter, Miss Osta Madsen, Advisor; Naoma Buckendahl.

The Student Council of the Froid High School was very active again this year with Miss Osta Madsen as their sponsor.

Officers for this year's Student Council were: President, Marjorie Anderson; Vice President, Jimmie Westberg; Secretary-Treasurer, Marlene Coats; and Social Chairman, Naoma Buckendahl. Other members of the Student Council included the following two representatives from each class: Seniors, Adeline Hekkel and Judy Reiter; Juniors, Joyce Sundheim and Margaret Ryder; Sophomores, Janis Emswiler and Roger Bertelsen; Freshmen, Dee Ann Ryder and Gerald Schlagel.

Some very vital issues were solved by the members of the Council. The idea of a "Gripe Box" was instituted to be used by the student body, so that their problems could be presented and given proper attention. Meetings were held bi-monthly. This group also sponsored several parties after basketball games for visiting players and students.

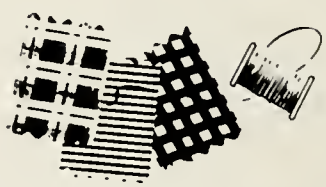
Fourth row: Marjorie Anderson, Margaret Ryder, Mary Ann Rued, Delores Luft, Barbara Reynen, Joyce Sundheim, Dee Ann Ryder, Fay Christoffersen, Ethel Johnson, Barbara Reiter, Helen Johnson, Johnan Arvidson, Betty Nayes, Mrs. Jeanne Anderson, Advisor. Third row: Penny Sue Knick, Diane Sundheim, Norma Becker, Ardis McNeil, Verona Boger, Beverly Erickson, June Young, Janis Emswiler, Marlene Coats, Jane Svendsen, Sharon Folvag. Second row: Dolores Olson, Jean Grovom, Sharon Tasa, Verna LaMar, Margaret Christoffersen, Anna Luft, Sharon Slevin, Florence Bakken, Lois Reiter, Phyllis Johnson, Charlotte Schlagel, Ardis Tobiason. First row: Patricia Rudolph, Norma Svendsen, Marjorie Christiansen, Sandra Boger, Judy Sundheim, Winifred Grovom, Myrna Erickson, Yvonne Lyseng, Connie Hanson, Diane Hanson, Flora Ostwald.

F.H.A.



The Froid F.H.A. Chapter had its first meeting of the year on September 23, 1953. President Marlene Coats called the meeting to order. The officers were as follows: Marlene Coats, President; Ethel Johnson, Vice President; Marjorie Anderson, Secretary; Margaret Christoffersen, Treasurer; Margaret Ryder, Reporter; Dee Ann Ryder, Parliamentarian; Verona Boger, Historian; and Joyce Sundheim, Song Leader. Our chapter mothers were Mrs. Ewald Christoffersen and Mrs. Martin Anderson.

The first and third Wednesday each month were set aside as meeting dates.

The chapter went to Glasgow to the district 8 convention. Marjorie Anderson was elected District 8 President and State Secretary. She was installed in this latter office at the state convention which convened in Missoula March 27, 28, and 29. Other delegates to this meet were Margaret Christoffersen, Ethel Johnson, Delores Luft, and Verona Boger who were accompanied by Mrs. Albert Anderson, FHA Advisor.

We had a Mothers' Tea on December 16, 1953.

During Christmas vacation the organization had a formal ball; our theme was Winter Wonder Land and Les Cooper's orchestra provided the music.

The various money making methods used by the group were selling hot dogs and pop during football games and a bake sale.

Third row: Manny Rued, Duane Olson, Fred Tobiason, Richard Krogedal, Roger Bertelsen, Dwight Buckendahl, Donald Sundheim. Second row: Lloyd Mogen, Ervin Bakken, Donald Knudson, Don Barrington, Gerald Schlagel, Clenard LaMar, Mr. Elmer Paulson, Advisor. First row: Archie Johnson, Alton Nelsen, Roger Grovom, Harlow Strandlund, Dale Eschenbacher, Bob Urdahl, Romain Ryder.

The Froid Chapter of Future Farmers of America elected the following boys to be their leaders for the 1953-1954 school term: Harlow Strandlund, President; Romain Ryder, Vice President; Dale Eschenbacher, Secretary; Bob Urdahl, Treasurer; Roger Grovom, Reporter; Alton Nelsen, Sentinel.

There were six meeting held during the year. At these meetings F.F.A. business matters were discussed. Lunch and recreation usually followed.

March 26 and 27 were the dates for the Big Muddy District convention which was held in Baker. The following boys were Froid's representatives at the Baker meet: Harlow Strandlund, Don Barrington, Alton Nelson and Archie Johnson. While at Baker they competed against other Big Muddy district schools in the following events: livestock judging, grain identification and judging, tool identification, and written tests in parliamentary procedure, F.F.A., farm mechanics and general agriculture.

Bozeman is the site of the annual state convention of Future Farmers of America. This year the convention was held from April 7 to April 10. The following boys were in attendance from Froid: Farrell Wulf, Romain Ryder, Harlow Strandlund, Roger Bertelsen and Archie Johnson. Roger and Archie were delegates to the meetings of the Montana Association of F.F.A., while Fritz, Romain, and Harlow were the competitive team.

To finance their activities this year the boys held a raffle the night of the senior play. They gave away a seventeen pound Easter ham, two geese, and a turkey; they also sponsored the donkey basketball game in which Bob Urdahl's "Bobcats" played Dale Eschenbacher's "Airdales" while riding donkeys.

Annual Staff

Standing: Mrs. Muriel Reuter, Advisor; Romain Ryder, Naoma Buckendahl, Judy Reiter. Seated: Farrell Wulf, Jimmie Westberg, Co-Editor; Adeline Hekkel, Co-Editor. Seated on floor: Oliver Urdahl, Leona Luebke, Lloyd Mogen.

Paper Staff

Back row: Roger Grovom, Gordon Krogedal, Fred Tobiason, Romain Ryder, Oliver Urdahl, Bob Urdahl, Carl Nelson, Dennis Paulson, Dale Eschenbacher, Duane Olson. Third row: Marjorie Anderson, Mary Ann Becker, Violet Sundvold, Mrs. Muriel Reuter, Make-up Advisor; Joyce Sundheim, Connie Bergh, Adeline Hekkel, Marlene Coats, Miss Osta Madsen, Editorial Advisor. Seated: Margaret Ryder, Farrell Wulf, Leona Luebke, Naoma Buckendahl, Judy Reiter. Seated on floor: Jimmie Westberg, Harlow Strandlund, Jerry Krohmer, Anna Luft, Johnan Arvidson, Delores Luft.

P. T. A.

Presenting past presidents' pins.

Installing officers.

All six P.T.A. presidents.

The year 1953-1954 found the local P.T.A. unit nearly doubling its membership over the previous year; 120 members were enrolled. This increase, along with additional study group activities, has qualified the unit for a Standard rating given by the National Congress of Parents and Teachers. This is the first rating of this kind ever attained by the Froid P.T.A.

The year's activities began with the summer roundup of physical examinations for the first grade students and inoculations for all of the other school children. Fourteen examinations were given and 123 shots administered with the cost being paid by the P.T.A.

The annual teachers' reception held in September was again sponsored by the P.T.A., with a large gathering assembled to welcome the new teachers.

The October meeting was highlighted by a playlet on "Fire Prevention" given by the freshman English class under the direction of Miss Osta Madsen. At this meeting, plans were made for the school carnival, where the P.T.A. again sold lunch, bringing in $276.65 to the unit's treasury.

In November, Mr. James Crawford, Superintendent of the Poplar Indian Agency was one of the guest speakers, as was Mr. James Long of Poplar, author of the book, "Land of Nakoda." They gave us a very interesting talk on Indian life and customs.

A forum, "The True Purpose of Christmas in the Home," was presented in December with Reverend Mark Emswiler and Reverend Van Vactor on the panel.

Mrs. Lorraine Coe gave a lecture with interesting colored slide pictures on Montana and the great Northwest at the January meeting.

We celebrated Founder's Day at our February meeting with Mrs. E. Christoffersen as chairman of the program.

Superintendent Anderson and Mr. Goodwin Bergh, Chairman of the school board, presented the March program; it was entitled, "Legislation as It Affects the School."

In April, Mrs. Irving Hoye gave us a review of outstanding P.T.A. magazine articles, and then the unit elected new officers for the coming year. Mr. G.N. Anderson was elected vice president and Mrs. Svend Bertelsen was elected the secretary.

The officers were installed at the May meeting by Mrs. Irving Hoye, P.T.A. district president. At this meeting the past presidents of the Froid P.T.A. were honored with a special program. Richard Solga reviewed all of the accomplishments that have been made by the P.T.A. during the past. Mrs. Burton Ostby, vice president, then presented Past-President pins to Mrs. Merle Johnson, Mrs. Eugene Knick, Mrs. Irving Hoye, Mrs. Oscar Svendsen and Mrs. Goodwin Bergh.

The hot lunch program, under the sponsorship of the P.T.A. was the most active of our projects. Hundreds of jars of preserves were put up and chickens and other food stuffs were donated. The P.T.A. renewed the charter of the Boy Scouts which is another unit project. Study groups brought in during the year were the local water supply, and the school curriculum.

On the Farm Training

The class resumed, January 1, 1953, with Fay Crusch as instructor after having been without an instructor for four months. The class resumed with sixteen students including: Irving Hoye, Floyd Martini, Vern Guenther, Warren Christoffersen, Harold Christoffersen, Melvin Peterson, Harry Sorensen, John Wivholm, George Waters, Alvin Erdahl, Hubert Thorne, Fred Granbois, Clarence Bakken, Einas Johnson, Merton Purvis, and Douglas Sorensen. Since January 1, 1954, we have added two new members into the class: they are Peder Siggaard and Christian Rasmussen. During this time only six class members have completed their training; they are as follows: Fred Granbois, Alvin Erdahl, Hubert Thorne, Einar Johnson, Merton Purvis and Douglas Sorensen. During the past sixteen months we have had classes, which included among other things, credit (including PCA and FHA), several on selection and seed varieties, wheat, beevil control, moisture content, protein content, storage and rust, development of hybrid corn, machine care and operation, range management, and the many phases of conservation farming.

Field trips included a visit to the Gordon Lund ranch, Wolf Point, and the Fay Crusch ranch, Bainville, Soil Conservation Day at the Moen farm, the Sidney Locker Plant, Sidney Sales Ring, a purebred cattle dispersion sale, and we heard two of the outstanding speakers of the nation, Tom Kelly and T-Bone McDonald.

Both in March, 1953 and 1954, a week of shop work was held at the Vo-Ag Shop here in Froid. Special repair and overhaul jobs were done for each class member. A special project in 1954 was the building of a calf table. During these sixteen months more than twenty outside teachers and instructors have met with this farm training class.

Attendance for this class has been very good, due to the factors of having had an excellent instructor and several interesting educational movies and lectures.

There are forty-two members in the Froid Senior Band; consisting of the following: thirteen trumpets, fourteen clarinets, five saxophones, two flutes, two baritones, one trombone, one concert bass, one bass drum, and three snare drums. There are twenty-three in the Froid Junior Band, consisting of the following: thirteen trumpets, three clarinets, two saxophones; one bell, and four drums. The two bands are directed by Superintendent G.N. Anderson. The band also has eighteen little grade twirlers and four high school twirlers that perform with it.

The Froid Band also has organized a club of which the following were elected as officers: president, Marlene Coats; vice president, Leona Luebke; secretary, Adeline Hekkel; and treasurer, Margaret Ryder. Custodians of the band music are Ethel Johnson and Carreen McNeil; and June Young and Sharon Tasa check uniforms. Janis Emswiler tallies merit points for both bands.

The band played at all basketball games in Froid. On February 2, the band had their annual winter concert in which both bands played. They participated in Band Day in Williston, North Dakota, and in a band festival in Plentywood. The junior and senior bands were asked to play for Memorial Day and for other school functions.

Senior Play

The Senior Class of 1954 presented their last stage performance, "The Tower Room Mystery," on March 26 at 8:00 P.M. in the Froid gym before a very large crowd.

The scene of the play took place in the tower room of an old castle, inherited by Jack Chalice, played by Jimmie Westberg. His sister, Kate Chalice, played by Naoma Buckendahl, went with him to the old castle when he decided he needed mysterious surroundings for his play. Little did he realize what mystery the tower room really possessed. When they arrived at the old castle, the events were fast moving and mysterious. Myra Vernon played by Leona Luebke added to the mystery by her mysterious ways.

Unknown to Jack and Kate, Kennedy Ellsworth, Kate's fiance, played by Dennis Paulson, had arranged for a company of theatre actors to lend the spooky atmosphere to the tower room, needed by Jack to finish his mystery. Mrs. Barrett, Martin Pickins, The Master, Beatrice, and Antoinette played by Judy Reiter, Romain Ryder, Fritz Wulf, Janis Emswiler, and Jean Grovom respectively, were the actors hired by Kennedy Ellsworth. Unknown to either the actors or Kennedy, there were real evil forces at work in the castle. The three servants, Matilda, Emily, and Andrew, played by Connie Bergh, Adeline Hekkel, and Lloyd Mogen respectively, wanted the house for themselves and would stop at nothing to get it. The mystery was soon solved and the gold that the mystery woman, Myra Vernon, had been searching for was found and it looked as if the romance of Jack and Myra could proceed without supernatural interference.

The Seniors presented their director, Miss Osta Madsen, with a Lazy Susan as a token of thanks for her hard work.

The Girls' Glee Club, directed by Superintendent G.N. Anderson, sang two numbers.

After the play the F.F.A. boys sponsored a ham and poultry raffle. Lunch, planned and served by the juniors, was open to the public after the play.

Junior Class Play

School Carnival

The Froid School's sixth annual fall carnival was held Saturday, November 7, 1953. There were streamers of every color floating through the air. To delight the hearts of young and old, there were many concession booths such as basketball, fishpond, fishpond, and cane toss; bingo and boxing were found entertaining. Good and loud victrola music filled the air as many walked around the table where many handsome cakes were displayed.

To start the evening out, a high school and grade school floor show was presented. The high school floor show went back to the "Frivolous Twenties," and the grade school presented "The Story of Mother Goose."

The Coronation came at 12:00 when carnival queen of 1952, Margaret Ryder, crowned the new carnival queen for 1953, who was Marlene Coats. The crowning of the queen was announced musically by Delores Luft, Barbara Reynen, Jean Grovom and Leroy Scott. Runners up for carnival queen were Marjorie Anderson, Margaret Christoffersen, and Janis Emswiler. Two first grade boys, Michael Jacobsen and William Rudolph, were page boys.

Following the coronation, the queen drew tickets for the queen prize, which was $25, won by August Eschenbacker, Jr.; the shot gun was won by Lowell Henke of Dagmar; and Henry Harkey won the cedar chest. The grocery box was won by Mrs. Roscoe Knutson of Homestead. Mrs. Garret LaMar won a lovely set of dishes for guessing the closest to the number of beans in a two-quart jar.

The gross proceeds of the carnival were $2,280. The P.T.A. served lunch during the entire carnival. Frannie Moye's orchestra played for the dance which followed the Carnival.

Festivals

On April 23, 1954, the Froid Senior Band along with their director, Mr. G.N. Anderson, journeyed to Plentywood for a band day. The bands each played a few numbers which were judged by the adjudicator, Mr. Lief Christianson, from Concordia College, followed by ensembles, solos, and mass band rehearsal which was also under Mr. Christianson's wise direction. The mass band, which was composed of all the bands attending, was a wonderful experience for all of the band students.

The girls' chorus composed of 23 members joined mixed choruses and girls' choruses from six other schools at Medicine Lake for a vocal music day on April 30, 1954. After the adjudicator, Mr. Strohm, from Minot State Teachers' College, Minot, North Dakota, listened to the singing of each group, the mass chorus was formed and practiced under Mr. Strohm's very able guidance. There was also a mass girls' chorus. A program was given by the two mass choruses, soloists, and the separate groups that evening.

The band and many Froid people were found in Williston, North Dakota, on May 15, for the annual Band Day. As usual, the 41 bands all marched in the big parade of which Froid was chosen to march in the fifth place. The parade was followed by the concerts which were played on the four stands in Play Park by the separate bands. In the evening the guest band, Moorhead High School Band, gave a concert in Harmon Park for everyone. Loretta Haugan was Froid's wonderful hostess during the day.

Junior-Senior Prom

The junior-senior prom and banquet took place on Saturday evening, May 8. The banquet was held in the school lunchroom at 6:00 p.m. The seniors, juniors, school board members, faculty members, and Reverend and Mrs. Mark Emswiler were present at this annual affair. Six sophomores served the delicious turkey dinner which the junior mothers had prepared. Reverend Mark Emswiler began the banquet program with a blessing. Several speeches were given and Superintendent G.N. Anderson sang a solo, "Sweet Lilauni."

Prom-goers gathered at the gym at 9:30 to begin dancing. The back wall of the gym was decorated with a Hawaiian scene drawn by Connie Bergh. One side of the gym represented a ship while the other was a mountain range. Les Cooper's orchestra sat in a hut which was in keeping with the theme, "Hawaiian Cruise."

Leading the grand march was Dennis Paulson, junior class president, and his date, Margaret Ryder. Following them were Jim Westberg, senior class president, and his date, Leona Luebke.

During intermission a floor show was presented: Ervin Bakken sang "Hootchy Kootchy Henry" accompanied by Harlow Strandlund. The junior girls sang "Hawaiian War Chant" with Winnie Grovom as the hula girl. Connie Bergh and Naoma Buckendahl accompanied them with their ukeleles. Roger Bertelsen sang "My Isle of Golden Dreams," accompanied by Winnie Bertelsen, and Superintendent G. N. Anderson sang "Blue Hawaii," accompanied by Mary Jane Darland.

Dancing was resumed after intermission and continued until 1:30 a.m.

Our School Lunchroom

Mrs. Agnes Kveseth and Mrs. Svend Bertelsen were our faithful cooks again this year.

Our hot lunch program fed about 130 students every day. Other than the commodities received from the government and donations of food from people of the community, this program supports itself.

Two International Harvester deep freezers were installed and about fifty new dishes were purchased. Considerable canning and freezing has been done throughout the year.

The senior class donated $50 towards the purchase of dark shades for movies for the lunchroom and this should add to the appearance of the room.

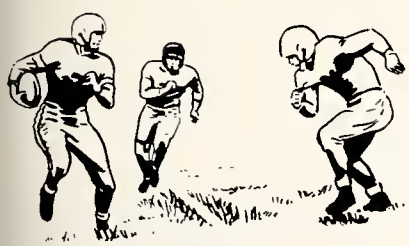
Athletics

Fourth row: Richard Solga, Coach; Don Barrington, Archie Johnson, Dwight Buckendahl.
Third row: Ervin Bakken, Roger Grovom, Dennis Paulson, Duane Olson, Donald Knudsen.
Second row: Manny Rued, Clenard LaMar, Jerry Krohmer, Jimmie Westberg, Fred Tobiason.
First row: Farrell Wulf, Oliver Urdahl, Bob Urdahl, Romain Ryder.



Football

Coach Solga's call for football material brought forth 17 boys. After two weeks of drilling they were ready for the first game.

September 18 - The Froid Cardinals opened their gridiron season with the Medicine Lake Honkers, who proved too powerful for the Froid team and defeated them 44 to 14. The scoring for the Cards included Rued 6 points, LaMar 6 points, and Ryder 2 points.

September 25 - The Cards received their second defeat from the Antelope Pronghorns by a score of 14 to 6. Dennis Paulson tallied the Cards' lone score.

October 2 - The Cards downed the Bainville Bulldogs by a score of 13-18 in an evenly played game. The scoring was done by Ryder, Wulf, and LaMar who each made 6 points.

October 9 - The Cards were beaten by the Culbertson Cowboys by a score of 33-14.

October 16 The Cards were defeated by the hard hitting Frazer Bear Cubs by a score of 53-7.

October 23 - The Cards played an evenly matched game with the Brockton Warriors; the score ended in a 12-12 tie.

Third row: Gordon Krogedal, Co-Manager; Dennis Paulson, Co-Captain; Dale Eschenbacher, Carl Nelson, Co-Manager. Second row: Roger Bertelsen, Jimmie Westberg, Farrell Wulf, Richard Solga, Coach. First row: Romain Ryder, Clenard LaMar, Jerry Krohmer, Bob Urdahl, Co-Captain, Oliver Urdahl.

"A" Squad

Froid opened the season by losing a non-conference game to Antelope, 50-44. The Cards came back by winning the next four in a row. From there on Froid see-sawed back and forth. They ended the season with a record of ten wins and eleven losses. Froid had two games with the Sidney Junior Varsity in which they defeated them both times.

The tournament was held in Sidney again this year. The Cards were rated fourth and lost their first game to Frazer. In the second game they defeated Lambert which enabled them to play Brockton on Saturday morning. Brockton was victorious thus eliminating the Froid Cardinals and giving them fifth place in the tournament.

"B" Squad

Third row: Roger Grovom, Richard Solga, Coach. Second row: Duane Olson, Donald Knudsen, Ervin Bakken. First row: Dwight Buckendahl, Manny Rued, Fred Tobiason, Richard Korgedal.

Grade Basketball Team

Third row: Bill Coe, Coach; Clarence Luft, Jimmy Svendsen, Manager. Second row: Arden Nelson, Dwight Krohmer, Billy Reiter, Eddy Reiter. First row: Jackie Olson, Jackie Slevin, Leroy Scott, Captain; Robert Smith.

The team had a less strenuous season this year than formerly, to keep within the new rules of the State Board of Education which practically do away with grade school athletic competition. From this year on, it is expected that any inter-school activities will be conducted during daytime, and only as part of a physical education program. It means no more long trips, no night games, no tough schedule, no tournament!

This year we played several scratch preliminaries and four afternoon games, our only traveling being to Culbertson. We lost to them that afternoon 30-20, but later defeated them 34-23 on our court. We also split with Brockton and Antelope here, losing 40-37 to the former and winning from the latter 35-33.
